## LOUISE KENNER WINS JUDGMENT

Granted \$160 - by Jury Against  
James E. Naden, the American  
and Paul Wilson Today.

### JUDGE SAYS IT IS TOO HIGH

Cost of Proposed Trip Girl Alleged  
She Was Defrauded Out of  
Was Not to Exceed \$148.

### CONTEST IS BASIS OF SUIT

Jury Finds For Two of Defendants,  
Mr. and Mrs. Will Nicholas, as  
Judge Instructed.

The jury in the damage suit of  
Miss Louise Kenner against the  
Rushville American, James E. Na-  
den, Paul Wilson, Joseph Tareff and  
Mrs. Will Nicholas, returned a  
verdict for Miss Kenner this  
afternoon after being out a little  
over two hours. Miss Kenner was  
awarded judgment for \$160 against  
Naden and the American and Paul  
Wilson. Under the judge's instruc-  
tions and in following out sustain-  
ment of the pre-emptory finding, the  
jury found for the defendants, Mr.  
and Mrs. Will Nicholas. The jury  
took one ballot.

Esse Logan acted as foreman of  
the jury. Following the announce-  
ment of the verdict Judge Sparks  
stated that the verdict for \$160  
should not be allowed to stand as the  
actual cost of the trip to San Fran-  
cisco that Miss Kenner alleged she  
was defrauded out of, cost, accord-  
ing to the evidence, not to exceed  
\$148. Because of this the judgement  
was considered too high and will have  
to be changed.

In the closing arguments in the  
case, which was the outgrowth of a  
newspaper subscription contest,  
held this morning, the defense  
presented their testimony late yester-  
day. Each side was given one-hour  
ten minutes.

Chauncey Duncan, for the plain-  
tiff, spoke first and was followed by  
Sarge W. Young. One of the  
points maintained by the defense  
was that the newspaper contest was  
not the law and was a gambling  
game. The court's instructions  
were that the contest was legal and  
this should be given no consid-  
eration by the jury.

Paul Wilson, the promoter of the  
subscription contest, testified for  
the defense late yesterday after-  
noon. Wilson detailed the workings  
of the contest to the jury telling how  
he conducted and enumerating  
the active candidates at the close.  
He stated that at the close there  
were just two active contestants,  
Will Nicholas and the Rev. Mr.  
Lippi of Milroy.

A cross-examination Wilson was  
through a grilling fire of ques-  
tions and this session of court was  
marked by frequent tilts between  
Chauncey Duncan, attorney for  
Kenner and George W. Young, at-  
torney for the defense. Attorney  
Young objected to one question be-  
cause the point in question had fre-  
quently been gone over.

They have been fooling along for

## Congratulations To--

Mr. Will C. Smith, a prominent  
citizen of this city. Dr. Smith is  
years old today. He is a son  
of the late Dr. W. H. Smith and has  
lived in Rushville all his life. At  
present Dr. Smith is county health  
commissioner.

## STRUCK BY A STREET CAR

John A. Wanse, Formerly of This  
County, Hurt in Indianapolis.

John A. Wanse of Indianapolis,  
formerly of this county, is in a seri-  
ous condition at the City Hospital  
there as a result of being hit by a  
street car. Mr. Wanse is the father  
of Mrs. Charles Elwell of Raleigh  
and she has been called there on  
account of his condition. Mr.  
Wanse was crossing the street at  
the corner of Georgia and Illinois  
streets and was struck by a Cen-  
tral avenue car as it rounded the  
corner. He was thrown under it  
and was injured severely about the  
head.

## ALLOWS SENTENCE TO BE PASSED ON HIM

Andrew A. Kinsley, Former Custo-  
dian of Eagles Lodges, Begins  
Serving Time in Jail.

### CONVICTION LATELY UPHELD

Andrew A. Kinsley, former custo-  
dian of the Eagles lodge, who was  
convicted in the circuit court on a  
charge of "bootlegging" and which  
conviction was recently sustained  
by the supreme court, appeared be-  
fore Judge Sparks late Tuesday af-  
ternoon and allowed sentence to be  
passed on him.

Kinsley immediately began serv-  
ing his thirty-day jail sentence. In  
addition to the jail sentence, the  
jury fined him \$95. It is believed  
that the lodge will pay the fine and  
costs. The costs in the case amount  
to over \$25 and in case the fine  
and costs are not paid Kinsley will  
have to "lay out" the amount.

Kinsley came here from Indiana-  
polis where he has been living since  
the trial here.

## T. M. FRIEND DIES AT HIS HOME HERE

Veteran of Civil War and Many  
Years Havens School Janitor  
Expires This Morning.

### LEAVES TWO SONS AND WIDOW

Theodore M. Friend, 70 years old,  
died this morning at his home in  
North Harrison street, following an  
illness of three weeks from grip and  
a complication of diseases. He had  
been in a critical condition for the  
past few days and his death was  
not unexpected. He contracted a  
cold during the recent flood and this  
developed into complications.

Mr. Friend has served as janitor  
at the Havens school for a number  
of years. He was a veteran of the  
Civil war and was well known. Be-  
sides his widow, he is survived by  
two sons, Ross Friend of near  
Orange and Ulie Friend of Vin-  
cennes, Ind. The funeral services  
will be conducted Friday afternoon  
at two o'clock at the late residence  
and burial will take place in East  
Hill cemetery.

### ODD FELLOWS INITIATE.

Franklin Lodge, No. 35,  
I. O. O. F., will initiate  
ten candidates this evening, it be-  
ing the third section of the Aber-  
crombie class.

## SHOW WATSON'S LABOR EFFORTS

Union Plate Printers of Washington  
Publish Score of Measures  
he Supported in Congress.

### RESOLUTIONS ENDORSE HIM

Senatorial Candidate Will Close  
Two-Days Campaign in Grant  
With Marion Speech Tonight.

James E. Watson is spending ev-  
ery available moment campaigning  
for the nomination for United  
States senator on the Republican  
ticket. By the time of the primary,  
March 7, he will have visited every  
county in the state and all of the  
county seats, besides a number of  
the smaller towns.

Mr. Watson will close a two-day  
campaign in Grant county tonight  
with a speech at Marion. He made  
the chief speech at a Washington's  
birthday Republican meeting at  
Hartford City last night. The meet-  
ing was preceded by a torchlight pa-  
rade and great enthusiasm was dis-  
played, according to reports receiv-  
ed here.

Mr. Watson was the principal  
speaker at the Washington birthday  
exercises at the National Military  
Home at Marion yesterday after-  
noon. He spoke on the invitation of  
Governor A. B. Crampton, a Demo-  
crat, who also introduced him. Mr.  
Watson was a guest at Crampton's  
home.

Recognizing his good record on  
union labor questions, the Plate  
Printers Union of Washington, D. C.  
have passed resolutions character-  
izing Watson as the "champion of  
legislative measure in which orga-  
nized labor generally was interest-  
ed."

The plate printers said they es-  
teemed Mr. Watson "as one of the  
tried and true friends of labor," in  
whom they had "great interest and  
pride and who, like Lincoln, delights  
in serving the common people."

The fact that the plate printers  
took this action is contained in a  
special dispatch from Washington.  
The plate printers have published a  
list of a score or more specific labor  
measures which Watson either him-  
self put through or supported.

The same dispatch says that Re-  
publican leaders in congress are ex-  
pressing keen interest at the pros-  
pect of the return of James E. Wat-  
son to Washington as the junior  
senator from Indiana. It declares  
that when the Republicans last held  
sway in the nation's councils, Wat-  
son achieved an enviable reputation  
for effective work. Even the few  
who did not like him had to ack-  
nowledge his genius for getting  
things done. The dispatch continues  
as follows:

When Theodore Roosevelt and  
"Uncle Joe" Cannon might almost  
have been put in jail for what they  
thought of each other and yet one  
was President and the other Speak-  
er of the House, someone had to  
serve as emissary between Congress  
and the White House. Watson was  
that man. Roosevelt liked him, in  
spite of the good natured swats the  
Indiana Congressman would occa-  
sionally hand out in choice Watson-  
ese.

Republican Senators in Congress,  
who have been having a hard  
enough time at best, say they need  
the kind of help Watson will give  
them at this critical time in national  
legislation. Few men, if any, know  
Senatorial and Congressional prac-  
tice as well as Watson. As Repub-  
lican whip of the House, which  
means that whip is virtually the  
"Speaker of the House on the floor,"  
Watson made a record in legislation.

## DELEGATES TO BE PICKED APRIL 5

Indications Are Now That Wayne  
and Fayette Counties Will Land  
District Plumbs.

### TWO CANDIDATES MENTIONED

Richard N. Elliott of Connersville  
and Lewis Bowman of Rich-  
mond Likely to be Chosen.

Who will be the sixth district de-  
legates to the Republican national  
convention at Chicago next June is  
worrying the heads of politicians all  
over the district. The latest sugges-  
tions for the places are Richard N.  
Elliott of Connersville and Lewis  
S. Bowman of Richmond. For  
Riggs, Republican county chairman,  
was frequently mentioned in Indi-  
anapolis newspapers for one of the  
delegates, but he stated when his  
name was first suggested in that  
connection that he would not accept.

According to a story in the Rich-  
mond Item, Wayne and Fayette  
counties will likely land the plums.  
The delegates will be selected at the  
district convention April 5. The  
place for the convention has not  
been fixed, but Newcastle is said to  
be the probable choice of the district  
committee.

One of the reasons for selecting a  
Fayette county man, it is said, is  
because the Progressive candidate  
for congress, Robert Carter, lives in  
Fayette county. And Richmond  
newspapers advance the idea that  
the other delegate should come from  
Richmond because the Progressive  
element was so strong there in 1912.

The item says that Union and  
Rush county men who were in Rich-  
mond recently lined up behind Bow-  
man, who is Republican county  
chairman in Wayne and also county  
auditor. It is confidently asserted  
that Union county will be solidly  
behind Bowman. It is declared that  
Bowman will be very favorable to  
former Progressives in Wayne  
county and that they would feel well  
represented by him at the national  
convention.

The district convention will be  
called after the various counties  
have organized and named chair-  
men, these chairmen meeting March  
16 to select a district chairman.  
Walter Bossert of Liberty, is ex-  
pected to be named as district chair-  
man, his candidacy having met with  
support throughout the district and  
no opposition having developed.

## EXPLOSION IS DIVULGED

One Man Loses His Life in Acci-  
dent Kept a Secret.

(By United Press.)  
Gary, Ind., Feb. 23.—That an ex-  
plosion in the local plant of the Il-  
linois Steel company, which result-  
ed fatally for one man, was kept a  
secret, was made known today. The  
explosion occurred Saturday or  
Sunday and on Sunday small frag-  
ments of the body were gathered to-  
gether, placed in a coffin and  
shipped to South Chicago. The vic-  
tim was a Pole and was killed while  
blasting with dynamite. Every ef-  
fort was made to keep it secret.

### PECULIAR FACTS ABOUT WELL KNOWN PEOPLE

Washington, Feb. 23.—Sen-  
ator Ashurst of Arizona used to  
be a newspaper reporter. Then  
he became a section-hand,  
stage driver, state legislator  
and now he is a United States  
senator.

## COMSTOCK TO SPEAK HERE

Republican Candidate For Congress  
Coming Friday Night.

Judge Daniel W. Comstock of  
Richmond, candidate for the Repub-  
lican congressional nomination in  
this district, will speak in the court  
house assembly room next Friday  
evening at seven-thirty o'clock. It  
will be Judge Comstock's speech in  
this city aside from the short re-  
marks he made at the sixth district  
barbecue here last fall. Judge  
Comstock's candidacy was endorsed  
by the Republicans of Wayne  
county at a Lincoln rally held by  
them last Saturday.

## FAMILY NARROWLY ESCAPES DEATH

Ralph Bowen of Near Orange  
Finds House Filled With Fumes  
From Coal Stove.

### HIS WIFE AFFECTED WORST

The family of Ralph Bowen of  
near Orange had a narrow escape  
last night from death by asphyxia-  
tion from gas fumes from a hard  
coal burner. Mr. Bowen was awak-  
ened and found the house full of  
fumes. He rushed for aid and after  
the hardest kind of work the rest  
of the family was revived.

Mrs. Bowen and two children, a  
day laborer, and Miss Helen Smith  
of Orange, a cousin of the Bowens,  
were all more or less effected by the  
fumes. The attending physician  
stated today that had Mr. Bowen  
remained in the fumes an hour longer  
she certainly would have died.

## RECENT ACCIDENT HASTENS HER DEATH

Mrs. Joseph Stiers, Age 77 Years,  
Expires at Her Home in North  
Main Street Today.

### MAIDEN NAME WAS HILDRETH

Mr. Sarah Stiers, 77 years old,  
wife of Joseph Stiers, died this  
morning at eleven-thirty o'clock at  
her home, 420 North Main street.  
Mrs. Stiers sustained a broken hip  
in a fall about two weeks ago and  
this hastened her death as she had  
been in declining health for some  
time.

Mrs. Stiers was a daughter of the  
late James and Rebecca Hildreth  
and was born in Rush county, Jan-  
uary 27, 1839. She was the young-  
est of a family of eleven children  
and is the last survivor. Mrs.  
Stiers was a well known and highly  
respected woman. She had lived in  
Rushville for the past eighteen  
years, and has been a member of the  
Presbyterian church for almost a  
half century. Besides her husband,  
she is survived by three children,  
James H. Stiers, John K. Stiers and  
Mrs. Ora Long. She is also sur-  
vived by four grandchildren and one  
great grandchild.

The funeral services will be con-  
ducted Friday afternoon at 1:30  
o'clock at the late residence by the  
Rev. D. Ira Lambert. Burial will  
take place in East Hill cemetery.

Mrs. Fred Johnson is suffering  
from a severe attack of la grippe.

## TIME TO PARLEY THING OF PAST

President Wilson is Prepared to Lay  
German - American Situation  
Before Congress.

### WILL NOT ALLOW MORE DELAY

If Germany Attempts to Cause Fur-  
ther Complications, Wilson Will  
Speak to Congress.

### NOT TO RELENT ON DEMANDS

Intends to Make Refusal to Tempor-  
ize so Emphatic, No Doubt as  
to Purpose Will be Left.

(By United Press.)

Washington, Feb. 23.—The rela-  
tions between the United States and  
Germany this afternoon depended  
enroute from the kaiser's govern-  
ment to Ambassador Bernstorff.

It became known this afternoon  
that President Wilson has deter-  
mined to permit no more parleying in  
the submarine controversy. If Ger-  
many, as administration officials  
now believe likely, endeavors to  
bring further complications the  
president is prepared to cut matters  
short by placing the whole matter in  
the hand of congress.

The appearance of President Wil-  
son before congress in the next few  
days to announce his desire to break  
off diplomatic relations with Ger-  
many was forecast this afternoon by  
high administration officials.

This action is certain to follow,  
one official said, if intimations com-  
ing from German sources are reli-  
able.

These intimations are that the  
German foreign office is sending in-  
struction to Ambassador Bernstorff  
to play for further delay in the de-  
termination of the Lusitania dispute  
and for a long discussion of techni-  
calities over the armed merchant-  
men decree scheduled to go into ef-  
fect March 1.

Bernstorff is expected to receive  
his instructions in the next forty-  
eight hours.

Today it was declared by reliable  
authority that the president intends  
to make his refusal to temporize so  
emphatic that there will be no doubt  
left of his purpose to require a  
closing of the Lusitania negotia-  
tions in keeping with the original  
demands of this government.

Since Germany is not expected to  
withdraw the armed merchantmen  
decree one thing only will be left for  
the president to do, it was pointed  
out, and that is to cut off diplomatic  
relations. This would mean that  
Bernstorff would get his passports.

### TODAY'S ODDEST STORY

St. Paul, Minn., Feb. 23.—  
Although only twelve miles  
apart, St. Paul and Minne-  
apolis have separate weather  
bureaus. The original single  
station, which Uncle Sam could  
effectively handle weather con-  
ditions in both cities, was in  
St. Paul. People in Minneapolis  
constantly taunted the St.  
Paul station with sending wea-  
ther reports destructive to  
their bazaars, fetes and civic  
turnouts. Minneapolis people  
just wouldn't accept weather  
sent them from St. Paul, so  
Uncle Sam gave in and estab-  
lished another station in Min-  
neapolis.

### A Distinctive Reason

What is the chief reason for the superiority of Royal Baking Powder?

There are several good reasons, but there is one which distinguishes Royal from other baking powders.

This reason, which every woman should know, is that Royal Baking Powder is made from cream of tartar, which comes from grapes. This means a healthful fruit origin. It means natural food as distinguished from mineral substitutes used in other baking powders.

There is no alum nor phosphate in Royal Baking Powder.

### We Starch Your Garments

by the use of the most modern machinery. Our collar starcher carries your collars or cuffs between endless felt aprons, through a series of wooden rollers running in a bath of hot, liquid starch.

In preparing this starch, we use a very high grade of starch manufactured especially for the laundry trade and not sold at retail. It is prepared and cooked in an especially constructed kettle, according to an exact scientific formulae. This insures the absolute uniformity of the stiffness and pliability of your linen every week in the year.

It is by such points as this, which we treat here in an exact scientific manner, that the modern laundry insures the superiority of its work over that done at home, by the washerwoman or in the small "hand" plants.

Can you doubt the evidence of this Rushville citizen? You can verify Rushville endorsement.

Read this: Harrison Levi, 931 North Sexton street, Rushville, says: "I used to have to get up six or seven times, each night on the account of the too frequent passages of the kidney secretions. Often they were scanty and accompanied by pain. I also had severe backaches. Nothing ever did me any good until I began taking Doan's Kidney Pills, procured from Johnson's Drug Store. It didn't take them long to fix me up. The pain left and my kidneys became regular in action." (Statement given July 27, 1912.)

## Birth Registration

Has the birth of your baby been registered? If not, you should see to it that this duty is performed without delay. It may some time be of the greatest importance to your child that there be in existence an accurate legal record of his birth, date, place, and parentage. Such a record serves to establish his age beyond question, and through this his right to the legal period of schooling and freedom from labor. It may also serve to establish his right to a disputed inheritance and to establish for him various property or other legal rights which may be in dispute. There are numerous instances where the lack of this sort of record has been the cause of serious losses of inheritance and of educational and other rights.

In New York City in 1913 the birth record helped to enforce the personal or property rights of more than 138,000 persons.

It is, in most states, required by law that the doctor, midwife, or other attendant at birth hall report the birth to the registrar of births, but as this duty is not infrequently neglected, parents should investigate to see whether it has been done properly in the case of their children.

The complete registering of all births is indispensable, not only to the individual, but to the state and the nation.

The Federal Government can and does tell us exactly how great is the accession to our population each year by immigration, or intake from foreign lands. At each port of landing immigration inspectors record each arrival and tell us his or her nationality, age, sex, destination and how much money each one brings. But the Federal Government can not go into the States and cities and establish registration offices and tell us how many children enter each State by birth. This work must be done by each State separately. We have no national book-keeping to account for the ebb and flow of human life as an asset and a liability of our civic organism. We have no national records to give our sanitarians and students a basis for their prevention studies. Congress by resolution has urged the States to enact and enforce suitable registration legislation. The State governments must now act.

Most of the States now have adequate laws; their enforcement, however, depends to a large extent upon popular support. This support is assured if individual parents will insist upon the registration of each birth.

# HUNDRED LEADING HOOSIERS

JOHN TIPTON, 1786-1839.

Of all the Indiana pioneers, few have rendered a greater service than John Tipton. He won distinction as a soldier, Indian agent, statesman and man of affairs. Born in the mountainous regions of east Tennessee, he grew up in the very midst of Indian life and frontier conditions. Before he was seven years old, his father Joshua Tipton was murdered by a band of Indians and from that day, the son doubtless felt it his duty to avenge his father's death. This he did, unrelentingly. "Many an Indian bit the dust at the command of John Tipton's rifle, and many a pioneer's home was saved from savage incursions by a healthy dread of the same terrible weapon."

In 1807 he crossed the Ohio and settled in Harrison county where he enlisted and gained rapid advancement. President Monroe in 1821

We are authorized to announce the name of Charles C. Brown as a candidate for Sheriff on the Democratic ticket, subject to the decision of the primary election, March 7, 1916.

appointed General Tipton general agent for the Pottawatomies and Miami tribes; and in 1838 he performed his most notable service by successfully removing the disaffected Indians to their homes west of the Mississippi river.

# WRITES OF GREAT LAKE IN ARIZONA

T. C. Hill, Formerly of Carthage, Describes Body of Water Rushville Man Helped Create

## 52 MILES LONG; A HALF WIDE

Mrs. Will Phelps of Carthage has received a letter from her brother, T. C. Hill, formerly of Carthage but for about forty years a miner in or near Prescott, Arizona, describing the great Watson-Henley-Thayer lake near Prescott and its value to that territory. He tells of the countless Russian families who have been attracted to the country near the lake from southern California, and have bought farms there.

The lake is fifty-two miles long, one-half mile wide and over one hundred feet deep in some places. It is only a short distance from some of Mr. Hill's mining interests. He says it was formed by damming a break in the walls of the dells through which Granite Creek found its way. The lake was stocked with 1,500 fish in November, 1915, and no one will be allowed to bother them for two years. The fish were furnished by Governor Ashurst and in two years will be plentiful.

"We hope for James E. Watson's political success," he writes in conclusion "and if he wins, he should come out west when it's time to fish and bring the poles, we will furnish the bait."

# Republican Candidate For Clerk

Subject to Primary Election March 7th

# GEO. B. MOORE, Jr.

Having been the Republican nominee for Clerk in 1912, which required considerable time and some expense, both cheerfully given; the privilege of again making the race, when, from a Republican viewpoint, the political outlook is very much brighter, would be appreciated very much.

# Candidacy of Judge Daniel W. Comstock Endorsed by Republicans of Wayne Co.

The resolution, indorsing the candidacy of Judge Daniel W. Comstock for the Republican nomination as representative to congress from the Sixth Indiana district, passed at the Comstock rally at Richmond follows:

Be it resolved by the Republicans of Wayne county, Indiana, in convention assembled, that the Sixth Congressional District of Indiana should and must be redeemed from Democracy. To that end, we recognize that it is necessary that this county be carried by a re-united Republican party and thus give to said party its old time majority.

Be it further resolved that in the Hon. Daniel W. Comstock we recognize the man who can and will restore the harmony that is necessary to the success of the party. He is a man of high mental and moral attainments. He has served his country patriotically as a soldier in the Civil war; his state and county, as a legislator and a jurist of dignity and learning. There is no blot upon his character, private or public. There is no clique nor faction against him other than the Democratic party. His learning, legislative experience and legal attainments will at once give him recognition and high standing in the house of representatives. His record as a public official is such as to commend him to the peoples' cause in matters of national legislation.

Therefore, we, the Republicans of Wayne county, do hereby most heartily indorse the candidacy of the Hon. Daniel W. Comstock for representative in congress from this district and earnestly ask the other counties of the district to give us their aid in securing his nomination. We pledge them an old fashioned Republican majority in Wayne county if he is nominated.

## GOT HIS NAME FROM A RAGER

Ernest Price, Better Known as Jack Dillon, Borrows Name From Sidney Dillon

### IS STILL AFTER THE CHAMPION

Recent Publicity Did Him a Lot of Good—Once Acquired Enmity, of Corbett.

(By United Press.) Indianapolis, Ind., Feb. 23.—Only the home town crowd knows how many thousand dollars in publicity meant to Jack Dillon to be mentioned in the same breath with Jess Willard. Jack the bearcat and the mankiller, never had a publicity agent. He never has had a manager who knew the game. He's a self-made boxer.

The only kind of boxing allowed in this town is the hot stove kind, and when the fans gather round they tell stories of Ernest Cutler Price, who, as Dillon, has placed Indianapolis on the sport map against her will. Dillon probably is the only topnotch athlete in any branch who deliberately chose the name of a horse for his own. When Ernest was a skinny kid he used to frequent the barn where Sidney Dillon, sire of a long string of good trotters, held forth. His friendship for the horse caused him to take that name.

Jack is a silent fighter too. He goes into the toughest contest and never says a word. He keeps his head down and works silently, depending on his ruggedness and fight-

ing spirit to win. When you find Jack on the street he's silent. When asked about a fight, with set jaw and a gleam to his eye he remarks:

"I'm going into that fight to knock him out." Jack always tries for a knockout. When the sport boys down east refused to "see" Jack, his friends tried to argue him into taking on a new manager, but Jack steadfastly refused to drop his old friend Sam Murbarger.

Only the home guard understood what it meant to Dillon to knock out Tom Cowler, Jim Corbett's protege. Local boys remember back in the spring of 1910 when Gentleman Jim, who was entertaining the idea that he could wrest the title from Jack Johnson, came here in his vaudeville circuit. While here Jim announced his "come back" and undertook to demonstrate his skill at the Marion Club.

Shortly before Corbett's arrival Price had borrowed his fighting name. He was little more than a welterweight and unknown outside the city. His friends got him in the chance for a try-out against the great Corbett.

Dillon showed enough to make Corbett take off his gloves and forget his comeback aspirations, but in doing so he seemingly acquired the former champ's enmity. Since that time Corbett has steadfastly refused to "see" Jack. Thus Dillon got more out of the fight that showed on the surface, for he floored the man Corbett was grooming for the heavyweight championship. Jack was 25 the day he met Cowler.

Dillon's record, though fraught with knockouts, is an eccentric document conforming to the moods of a temperamental fighter. The Hoosier lad has changed in recent months and became more business-like, but in the earlier seasons of his fighting career it was well known in fighting circles that if Jack Dillon didn't feel like fighting he wouldn't fight. On the other hand he frequently went into the ring feeling rocky and vented his grouches on the luckless weight before him.

There's one incident in the Man Killer's career that never fails to cause him considerable ink. That is the bout with Chicago Knockout Brown in St. Louis when the fans tossed their chairs at the are lights and Referee Eddie Randall jumped out of the ring the declaring the fight the veriest hippodrome. It was a tame bout but Dillon claimed his hands were sore and said anyhow he let Brown carry the fight to him whenever he fought the Greek, which in those days was often. The management took the money from Dillon and Murbarger and tied up their \$750 purse, which still remains in the sheriff's custody in the Mound City.

This incident was soon forgotten, however and the demand for Dillon's services throughout the country was steady and strong. He flitted from one town to another, never figuring in large purses and always fighting in large purses and always fighting

## HIGH SCHOOL TEAM'S CHANCES LESSENED

Stoops, Star Forward, Quits Local Five, Meaning it Will be Crippled in Coming Tournament.

### DYE TO BE PUT AT FORWARD

Rushville's chances of winning the basketball tournament to be held here Saturday were very slim today following the announcement that Bryce Stoops, star forward, had quit the team. Petty jealousies and dissensions have tended to disrupt the team, it is stated, and with Stoops out of the game Coach Burns faces a difficult problem of getting a team in shape for the tournament on short notice.

The local high school students are hoping for the best and if the team is defeated it will not be because any fight was lacking. Coach Burns plans to use Dye at forward, and in this case a large portion of the basket shooting will fall on Martin, the lengthy center of the locals. The team has been practicing hard this week in preparation for the tournament games. Rushville has not lost a game this year on the home floor and the high school students hope the team can come through the tournament with this record clean.

## IS NO DESIRE TO WITHHOLD POLICY

General Feeling in Germany is That Americans Must Suffer Consequence of New Warfare.

### ARE NO LONGER PATIENT

BY CARL W. ACKERMAN.

(U. S. Staff Correspondent.)

Berlin, Feb. 23.—Nowhere is there in Berlin evident the slightest desire to withhold Germany's new submarine warfare because of protests from the United States.

General feeling is that the Americans must suffer the consequences if they embark on belligerent merchantmen carrying arms after March 1. The patient attitude toward America displayed during the Lusitania negotiations, it is plain today, no longer exists, because of the popular feeling that America already has hindered so many of Germany's plans.

### NOT ANXIOUS FACTIONS

(By United Press.)

Anderson, Ind., Feb. 23.—For the sixth time a continuance has been taken in the case of Willard Smethers, trustee of Green township, this county against W. W. Brown, former trustee, for collection of alleged money due the township. W. W. Brown is under sentence of the Grant county circuit court for alleged complicity in the murder of Constable Albert Hawkins, at Ingalls, Ind., two years ago. The last court of appeal in Indiana has refused to revoke the decision of the Grant county court declaring Brown guilty and a petition with 600 names asking Brown's parole is now in the hands of Governor Ralston.

### OLD-TIME COLD CURE— DRINK HOT TEA!

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold. Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

Stop "dosing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia. Limber up! Get a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

# WHY WOMEN WRITE LETTERS

To Lydia E. Pinkham Medicine Co.

Women who are well often ask "Are the letters which the Lydia E. Pinkham Medicine Co. are continually publishing, genuine?" "Are they truthful?" "Why do women write such letters?"

In answer we say that never have we published a fictitious letter or name. Never, knowingly, have we published an untruthful letter, or one without the full and written consent of the woman who wrote it.

The reason that thousands of women from all parts of the country write such grateful letters to the Lydia E. Pinkham Medicine Co. is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives, once burdened with pain and suffering.

It has relieved women from some of the worst forms of female ills, from displacements, inflammation, ulceration, irregularities, nervousness, weakness, stomach troubles and from the blues.

It is impossible for any woman who is well and who has never suffered to realize how these poor, suffering women feel when restored to health; their keen desire to help other women who are suffering as they did.

## BIRTHDAY PARTY.

Twenty young friends of Elmer Darnell responded to the invitations for his birthday party given Monday evening at his home near Fal-mouth and helped celebrate his twentieth birthday. With a number of games, the evening was made a jolly one and delicious refreshments were served during the pleasant hours.

## DINNER PARTY.

The hospitable home of Mrs. Sanford Poston, southeast of the city, was the scene for a delightful dinner party today when a company of friends were entertained. A pretty maidenhair fern brightened the center of the laden table, which had been prettily set for the pleasant company which included Mr. and Mrs. Bert Norris, the Rev. and Mrs. Moody Edwards, and Mr. and Mrs. Bert Davidson.

## FOR FOURTH DEGREE STAFF

Jack Knecht was host last evening for the fourth degree members of the Knights of Columbus, when he entertained them with an elaborate Washington's birthday dinner. The soft glow of the red candles, displayed a huge bouquet of bright red carnations in the center of the table, also tiny American flags floating here and there upon the festive board. After the tempting three course-dinner the jolly company participated in a pleasant evening of progressive euchre, when Will McCoy and Martin Kelly proved to be the winners. Those enjoying Mr. Knecht's hospitality were Father M. W. Lyons, Anthony Schrichte, Homer Collier, Mark Purell, John Madden, Will McCoy, Tom McCoy, Martin Kelly and Philip Miller.

## WITH MR. AND MRS. REES.

The birthday of their son, Lester, furnished a reason for the pleasant little party given by Mr. and Mrs. Quincy Rees on Monday evening. For the merry crowd of young people that assembled an elaborate dinner was served, which was brought to a close by the huge birthday cake glowing with eighteen candles. The evening hours, enlivened by games and music, were equally pleasant.

## DELIGHTFUL PARTY.

With the national colors, with cherries, hatchets and other reminders of the day, the home of Mr. and Mrs. Charles Elwell presented a festive appearance Monday evening, when honoring Mrs. Elwell's birthday, sixty guests were entertained. After an evening, made pleasant with progressive euchre and dancing, ice cream appropriately molded and equally delicious cakes were served.

## SIX O'CLOCK DINNER

In the beautiful home of Mr. and Mrs. Frank Capp of North Main street, several friends were hospitably entertained with a sumptuous dinner last evening in honor of Miss Clara Haydon, of Lexington, Ky. Small flags surrounded the pretty fern in the center of the table and bright red cherries were favors at the places. The guests for this pleasant evening were Miss Haydon, Mr. and Mrs. Ben Humes, and Mr. and Mrs. Albert Capp and children.

A delightful little dinner party was the one given by Mr. and Mrs. A. P. Reynolds at their pretty home in Glenwood on Monday evening. The good taste of the hostess was apparent in the decorations, which consisted of dainty pink carnations arranged with greenery, and in the prettily appointed dinner. The hours following the dinner were enlivened by several rounds of Rook and other informal games, during which time delicious home-made candy was served by the hostess. In this merry company were Prof. and Mrs. Fisher and sons, Gilbert and Park, and the Misses Edyth Swallow, Jessie Jeffrey and Elizabeth Winslow.

## HONORING MISS HAYDON

In honor of Miss Clara Haydon, of Lexington, Ky., for whom a series of parties have been given, Mrs. Guy Mulbarger furnished a delightful little afternoon of Bridge yesterday for an interesting group of her friends, who surrounded two tables as they enjoyed a merry chat over the card games. While at the card tables, the hostess served a delicious luncheon, in a dainty style exhibition her own personal touch. Aside from the guest of honor, the players were Mrs. Charles A. Frazee, Mrs. Hillary Haydon, Mrs. Clarence Cross, Mrs. John H. Kiplinger, Mrs. Claude Cambern and Mrs. Ben Humes.

## INDIA DISCUSSED

"India" was the all inclusive subject which was discussed at the meeting of Young Ladies Missionary Society of the United Presbyterian church when it met with Mrs. Robert Conover this afternoon. A good attendance was present to appreciate the program which consisted of the following numbers: Leader—Mrs. Pike. Mass Movement of India—Mrs. Lancaster. National Missionary Society—Mrs. King. Achievement of the Gospel in Women's Education and in Medical Mission—Miss Florence Elliott. Mission Study—Miss Florence Elliott.

## ODD FELLOWS SUPPER

Washington's birthday furnished the clever decorations for the supper given last evening by the members of Bernice Encampment No. 12 I. O. O. F. for their families and friends, who numbered in all about two hundred and fifty. Favors in keeping with the holiday were distributed during the serving of the elaborate supper. Music was furnished during evening by Odd Fellows orchestra, augmented by several members from Lucas organiza-

tion. The third degree staff and encampment staff executed several fancy drills in their display uniform. Among the out-of-town guests were Mr. and Mrs. H. K. Landes, Mr. Landes, being Commanding General of the Patriarch Militant branch of the order, and John Feckenhoeh, of Indianapolis.

## WASHINGTON PROGRAM.

An excellent program appropriate for the day entertained the members of the Sororsis Club of Glenwood, when they were entertained by Mrs. Joseph Walther and Mrs. Charles Newhouse at the home of the former. With miniature hatchets, cherries and flags, the rooms were made to give a very patriotic atmosphere. Responses to the roll call, when all members except two answered, were given by naming a prominent statesman. An excellent paper on "National Songs" was read by Mrs. Murphy. Another patriotic subject was equally well treated by Mrs. Elliot whose paper was on "Colonial Customs." The book, "Still Jim," was interestingly reviewed by Mrs. Saxon. During the social hour which followed the program, a palatable luncheon was served by the hostesses.

## B. Y. C. D. CLASS

The young ladies and men in the B. Y. C. D. class of the First Baptist church have proven that a Sunday School class exists not only on Sunday but is a social unit throughout the week. Another of their delightful social gatherings, was the entertainment with Miss Ethel Powers last evening at the home of Mr. and Mrs. Jess Black. With festoons of red, white and blue crepe paper, the rooms were fittingly draped for the holiday. Small hatchets dangled from the mantle and bouquets of brilliant red carnations helped lend the holiday appearance. During the business meeting, when twenty answered the roll call and Miss Grace Smith as president, presided the class was divided in two sections, with Malcolm Newkirk and Ethel Powers as captains, plans were made for an attendance contest, which will end Easter Sunday, when the winning side are guests at a three course dinner, during which time refreshments, with appointments, apropos of the day were served.

## KNIGHTS ENTERTAIN.

No more beautiful and commodious place could be imagined for entertaining than is the Masonic Temple, with its spacious parlors, immense dining room and beautiful blue room, all of which conveniently accommodated the one-hundred-sixty guests that were entertained last evening by the Knights Templar. A turkey dinner served in the dining room where the round tables were decorated, with red candles and cherries, and a program bearing a picture of the day's hero at each place, was the first feature of the evening. After a pleasant social hour when the guests were allowed to wander through the spacious halls, a musical entertainment was given in the blue room by the University Girls, a Lyceum attraction. With the "pep" and enthusiasm that the name suggests, their varied program was carried through with a refreshing vim.

The personnel of the company included the Misses Edwina Parsons, violinist, Marie Washburn, cornetist, Florence Jack who also played flute, Winsgene Whitsitt, vocalist, Mildred McCasky, reader, and Alice Lybarger, cellist. Several special num-

Vote for "33" Ezekiel M. Jones (better known as "Zeke") a Republican Candidate for Sheriff, from Ripley Township, Rush County, at Primary March 7, 1916.

I have found it absolutely impossible to see all of the voters before the Primary to solicit their support for my candidacy for Republican nomination for Sheriff of Rush County, but I desire to say that I have always been a loyal, staunch and true blue Republican. I live in Ripley Township now and cast my first vote in Rush County for James G. Blaine. I nor any of my immediate family have never held nor asked for any public office nor have I been the nominee for any except that I was a candidate in 1912 for Sheriff of Rush County and withdrew on the fourth ballot in the county delegate convention, and went out and worked my best for the ticket, as I always have done.

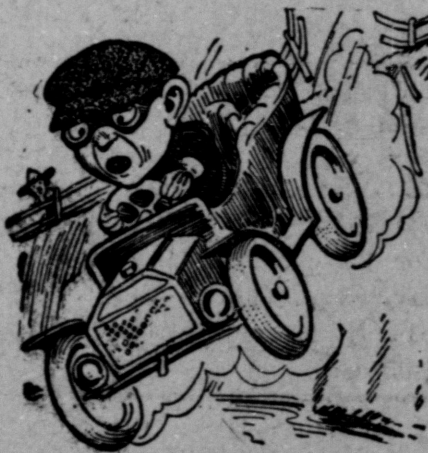

FOR REFERENCE to my Republicanism or qualifications for this office I refer you to any business man or bank in Rush county.

I CAN BE ELECTED IF NOMINATED.

My number on ballot will be 33 on all ballots I thank you in advance for your support, Yours Very Truly,

GLASS OF SALTS  
CLEANS KIDNEYS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter that clogs the system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

SAYS OLD VESSEL

Commandant Rush Declares "Constitution" Will be Left Alone by U. S. Government.

MANY PERSONS VISIT HER

(By United Press.)  
Boston, Feb. 23.—Commandant Rush of the Charleston Navy Yard, has put at rest all worry over the fate of the "Constitution," the gallant old frigate which lies at anchor there. In an interview with the United Press, Captain Rush said he was greatly surprised to have been quoted as saying "Old Ironsides" must be moved to make room for other and more modern vessels. "In my opinion," said the Commandant, "the Constitution comes first. All other ships here must take second place. I regard her a symbolic of the Constitution of the United States and I would as soon destroy one as the other. So long as she lasts, which, with adequate repairs should be forever, Old Ironsides shall have her place in the Yard. I understand I have been quoted as saying we needed the space now occupied in the Yard by the frigate, but this is absolutely untrue. The Constitution rides at anchor at the safest spot in Charlestown Yard, protected against fire in every way. She is within a few hundred feet of the place where she was launched over 100 year ago, each year over 80,000 visitors go aboard and roam up and down the aged hulk, a reminder of the days when the United States swept all before her on the seas.

MANY TROUBLES  
DUE TO WEAK  
KIDNEYS

"It is no use advertising a medicine unless the medicine itself is good enough to back up the claim you make for it," said Johnson's Drug Store, the popular druggists, to a Daily Republican man. "On the other hand it is a pleasure to sell a medicine when our customers come in afterward and tell you how much good it has done them. And that is why we like to sell and recommend Solvax, the great kidney remedy. We have so much faith in this article that we are going to guarantee it in the future and will return the money to any purchaser of Solvax whom it does not help."

This shows great faith in Solvax. It really is a most unusual medicine because it overcomes the worst cases of kidney complaint by removing the cause. It goes straight to the seat of the trouble. It soaks right in and cleans out the kidneys and makes them pass off all the uric acid and poisonous waste matter that lodges in the joints and muscles, causing rheumatic pains; soothes and heals the bladder and quickly end all such troubles.

## ENGLAND BROKE PLEDGE, CHARGE

Promised Not to Permit Merchantmen to Take Offensive Against German Submarines.

### SECRET ORDERS ARE ALLEGED

Democrats Hope to Block Resolution Warning Americans to Stay Off Armed Vessels.

(By United Press.)  
Washington, Feb. 23.—Whether England had broken faith with the United States in questions of armed merchantmen was a new question raised today in the submarine controversy with Germany.

Examination of state department archives disclosed a British pledge directly bearing on the Tuetonic-American controversy. Officials believe if this pledge has been broken protest to England is probable.

The British promise was that England would not permit merchantmen to take the offensive against submarines. Against this Germany is mailing copies of alleged secret orders of the British admiralty to English merchant vessels to sink submarines of the central powers and whenever possible and under any conditions.

As part of the program to prevent discussion of foreign relations on the senate floor, Democratic leaders today arranged for a continued session until the end of the week. Instead of adjourning the senate will take a recess each evening until the following day.

This will prevent the reporting or introducing the resolutions. It is expected an attempt will be made to get one before the senate warning Americans to keep off armed merchantmen. The president desires to avoid senate discussion.

An end of informal negotiations between Secretary Lansing and Ambassador Bernstorff and the dispatch of a final, formal note to Germany emphasizing the need of assurances concerning submarine warfare has been practically decided on by the administration.

One thing only, it is said, can in-

tervene and that is the arrival from Berlin of definite assurance that the decree making the submarine warfare effective March 1 will be held up. The decree must be made to square with the promises made by Germany in the Lusitania case exchanges.

It is said the administration has come to the conclusion that the confidential discussions between the secretary of state and the ambassador have outrun their usefulness in view of the present apparent impasses and the personal bad feeling that has grown up between the two diplomats.

### K. OF C. DANCE

Gayety prevailed last evening, when honoring the birthday of the father of our country, the Knights of Columbus, and their friends from near and far danced in the Phi Delta Theta Hall. With seventy-five couples enjoying the terpsichore

to the strains of "Sherman's Society Orchestra" which ably played the very latest song hits, a merry and pretty scene resulted. Several features were furnished, as promised, the best of which were the cabaret solos by Dr. Hale Pearsey. Perhaps the favorite of these for which the singer was encored again and again was "She is the Daughter of Mother Machree." The majority of the out-of-town dancers were from Connersville among whom were the Misses Elsie Barnard, Kathleen Luking, Dorothy Voltz, Louise Schroder, Anna Parke, the Misses O'Brien and Will Michaels, Willard Bearly, Harry Williams, Warren Wanee. Darnell Wendling was here from Indianapolis and Ernest Elder from Greensburg.

### LOGAN-VICKERY.

The wedding of Miss Logan and Lowell Vickery of Falmouth will take place at the home of the bride this evening at 7:30. The ceremony will be read by the Rev. G. F. Powers in the presence of a few friends and relatives. Following this, a dinner will be given honoring the popular young couple, who will make their future home in the vicinity of Falmouth.

two days with you and I am getting tired," said Mr. Young.

At this point Judge Sparks interfered and soon restored order. "This case ought not be tried according to the justice of peace court principles, but the circuit court," said the court.

Wilson on cross-examination had a hard time explaining why contestants were dropped and still given credit for votes filed, even on the final night of the contest. He stated that the names of the candidates in all three districts were published in the American up until the close of the campaign for the sake of appearances and not because they had a chance to win. He declared that the campaign was a failure financially.

According to his testimony the issue of the American on April 2, which was the day before the contest closed, carried the names of all the contestants, but he denied try-

## LOUISE KENNER WINS JUDGMENT

Granted \$160 by Jury Against  
James E. Naden, the American  
and Paul Wilson Today.

### JUDGE SAYS IT IS TOO HIGH

Most of Proposed Trip Girl Alleged  
She Was Defrauded Out of  
Was Not to Exceed \$148.

### CONTEST IS BASIS OF SUIT

Jury Finds For Two of Defendants,  
Mr. and Mrs. Will Nicholas, as  
Judge Instructed.

The jury in the damage suit of  
Miss Louise Kenner against the  
Shelville American, James E. Na-  
den, Paul Wilson, Joseph Tureff and  
Mrs. Will Nicholas, returned a  
verdict for Miss Kenner this  
afternoon after being out a little  
over two hours. Miss Kenner was  
awarded judgment for \$160 against  
Naden and the American and Paul  
Wilson. Under the judge's instruc-  
tions and in following out sustain-  
ment of the pre-emptory finding, the  
jury found for the defendants, Mr.  
and Mrs. Will Nicholas. The jury  
took one ballot.

Case Logan acted as foreman of  
the jury. Following the announce-  
ment of the verdict Judge Sparks  
stated that the verdict for \$160  
did not be allowed to stand as the  
actual cost of the trip to San Fran-  
cisco that Miss Kenner alleged she  
was defrauded out of, cost, accord-  
ing to the evidence, not to exceed  
\$148. Because of this the judgement  
considered too high and will have  
to be changed.

In the closing arguments in the  
case, which was the outgrowth of a  
newspaper subscription contest, the  
defendant's testimony late yester-  
day. Each side was given one-hour  
and ten minutes.

Robert Chauncey Duncanson, for the plain-  
tiff, spoke first and was followed by  
Serge W. Young. One of the  
objections maintained by the defense  
was that the newspaper contest was  
not the law and was a gambling  
game. The court's instructions  
were that the contest was legal and  
that this should be given no consid-  
eration by the jury.

Paul Wilson, the promoter of the  
subscription contest, testified for  
the defense late yesterday after-  
noon. Wilson detailed the work-  
ings of the contest to the jury telling how  
the contest was conducted and enumerating  
the active candidates at the close.  
He stated that at the close there  
were two active contestants,  
Will Nicholas and the Rev. Mr.  
Lippert of Milroy.

In cross-examination Wilson was  
troubled by a grilling fire of ques-  
tions and this session of court was  
marked by frequent tilts between  
Attorney Duncan, attorney for  
Kenner and George W. Young,  
attorney for the defense. Attorney  
Young objected to one question be-  
cause the point in question had fre-  
quently been gone over.

John A. Wanse of Indianapolis,  
formerly of this county, is in a seri-  
ous condition at the City Hospital  
there as a result of being hit by a  
street car. Mr. Wanse is the father  
of Mrs. Charles Elwell of Raleigh  
and she has been called there on  
account of his condition. Mr.  
Wanse was crossing the street at  
the corner of Georgia and Illinois  
streets and was struck by a Cen-  
tral avenue car as it rounded the  
corner. He was thrown under it  
and was injured severely about the  
head.

## ALLOWS SENTENCE TO BE PASSED ON HIM

Andrew A. Kinsley, Former Custo-  
dian of Eagles Lodges, Begins  
Serving Time in Jail.

### CONVICTION LATELY UPHELD

Andrew A. Kinsley, former custo-  
dian of the Eagles lodge, who was  
convicted in the circuit court on a  
charge of "bootlegging" and which  
conviction was recently sustained  
by the supreme court, appeared be-  
fore Judge Sparks late Tuesday af-  
ternoon and allowed sentence to be  
passed on him.

Kinsley immediately began serv-  
ing his thirty-day jail sentence. In  
addition to the jail sentence, the  
jury fined him \$95. It is believed  
that the lodge will pay the fine and  
costs. The costs in the case amount  
to over \$25 and in case the fine  
and costs are not paid Kinsley will  
have to "lay out" the amount.

Kinsley came here from Indiana-  
polis where he has been living since  
the trial here.

## T. M. FRIEND DIES AT HIS HOME HERE

Veteran of Civil War and Many  
Years Havens School Janitor  
Expires This Morning.

### LEAVES TWO SONS AND WIDOW

Theodore M. Friend, 70 years old,  
died this morning at his home in  
North Harrison street, following an  
illness of three weeks from grip and  
a complication of diseases. He had  
been in a critical condition for the  
past few days and his death was  
not unexpected. He contracted a  
cold during the recent flood and this  
developed into complications.

Mr. Friend has served as janitor  
at the Havens school for a number  
of years. He was a veteran of the  
Civil war and was well known. Be-  
sides his widow, he is survived by  
two sons, Ross Friend of near  
Orange and Ulie Friend of Vin-  
cennes, Ind. The funeral services  
will be conducted Friday afternoon  
at two o'clock at the late residence  
and burial will take place in East  
Hill cemetery.

### ODD FELLOWS INITIATE.

Franklin Lodge, No. 35,  
I. O. O. F., will initiate  
ten candidates this evening, it be-  
ing the third section of the Aber-  
crombie class.

## SHOW WATSON'S LABOR EFFORTS

Union Plate Printers of Washington  
Publish Score of Measures  
he Supported in Congress.

### RESOLUTIONS ENDORSE HIM

Senatorial Candidate Will Close  
Two-Days Campaign in Grant  
With Marion Speech Tonight.

James E. Watson is spending ev-  
ery available moment campaigning  
for the nomination for United  
States senator on the Republican  
ticket. By the time of the primary,  
March 7, he will have visited every  
county in the state and all of the  
county seats, besides a number of  
the smaller towns.

Mr. Watson will close a two-day  
campaign in Grant county tonight  
with a speech at Marion. He made  
the chief speech at a Washington's  
birthday Republican meeting at  
Hartford City last night. The meet-  
ing was preceded by a torchlight pa-  
rade and great enthusiasm was dis-  
played, according to reports received  
here.

Mr. Watson was the principal  
speaker at the Washington birthday  
exercises at the National Military  
Home at Marion yesterday after-  
noon. He spoke on the invitation of  
Governor A. B. Crampton, a Demo-  
crat, who also introduced him. Mr.  
Watson was a guest at Crampton's  
home.

Recognizing his good record on  
union labor questions, the Plate  
Printers Union of Washington, D. C.,  
have passed resolutions character-  
izing Watson as the "champion of  
legislative measure in which orga-  
nized labor generally was interest-  
ed."

The plate printers said they es-  
teemed Mr. Watson "as one of the  
tried and true friends of labor," in  
whom they had "great interest and  
pride and who, like Lincoln, delights  
in serving the common people."

The fact that the plate printers  
took this action is contained in a  
special dispatch from Washington.  
The plate printers have published a  
list of a score or more specific labor  
measures which Watson either him-  
self put through or supported.

The same dispatch says that Re-  
publican leaders in congress are ex-  
pressing keen interest at the pros-  
pect of the return of James E. Wat-  
son to Washington as the junior  
senator from Indiana. It declares  
that when the Republicans last held  
sway in the nation's councils, Wat-  
son achieved an enviable reputation  
for effective work. Even the few  
who did not like him had to ac-  
knowledge his genius for getting  
things done. The dispatch continues  
as follows:

When Theodore Roosevelt and  
"Uncle Joe" Cannon might almost  
have been put in jail for what they  
thought of each other and yet one  
was President and the other Speak-  
er of the House, someone had to  
serve as emissary between Congress  
and the White House. Watson was  
that man. Roosevelt liked him, in  
spite of the good natured sniffs the  
Indiana Congressman would occa-  
sionally hand out in choice Watson-  
ese.

Republican Senators in Congress,  
who have been having a hard  
enough time at best, say they need  
the kind of help Watson will give  
them at this critical time in national  
legislation. Few men, if any, know  
Senatorial and Congressional prac-  
tice as well as Watson. As Repub-  
lican whip of the House, which  
means that whip is virtually the  
"Speaker of the House on the floor,"  
Watson made a record in legislation.

## DELEGATES TO BE PICKED APRIL 5

Indications Are Now That Wayne  
and Fayette Counties Will Land  
District Plumbs.

### TWO CANDIDATES MENTIONED

Richard W. Elliott of Connersville  
and Lewis Bowman of Rich-  
mond Likely to be Chosen.

Who will be the sixth district dele-  
gates to the Republican national  
convention at Chicago next June is  
worrying the heads of politicians all  
over the district. The latest sugges-  
tions for the places are Richard W.  
Elliott of Connersville and Lewis  
S. Bowman of Richmond. For  
Riggs, Republican county chairman,  
was frequently mentioned in Indi-  
anapolis newspapers for one of the  
delegates, but he stated when his  
name was first suggested in that con-  
nection that he would not accept.

According to a story in the Rich-  
mond Item, Wayne and Fayette  
county will likely land the plums.  
The delegates will be selected at the  
district convention April 5. The  
place for the convention has not  
been fixed, but Newcastles is said to  
be the probable choice of the district  
committee.

One of the reasons for selecting a  
Fayette county man, it is said, is  
because the Progressive candidate  
for congress, Robert Carter, lives in  
Fayette county. And Richmond  
newspapers advance the idea that  
the other delegate should come from  
Richmond because the Progressive  
element was so strong there in 1912.

The Item says that Union and  
Rush county men who were in Rich-  
mond recently lined up behind Bow-  
man, who is Republican county  
chairman in Wayne and also county  
auditor. It is confidently asserted  
that Union county will be solidly  
behind Bowman. It is declared that  
Bowman will be very favorable to  
former Progressives in Wayne  
county and that they would feel well  
represented by him at the national  
convention.

The district convention will be  
called after the various counties  
have organized and named chair-  
men, these chairmen meeting March  
16 to select a district chairman.  
Walter Bossert of Liberty, is ex-  
pected to be named as district chair-  
man, his candidacy having met with  
support throughout the district and  
no opposition having developed.

## EXPLOSION IS DIVULGED

One Man Loses His Life in Acci-  
dent Kept a Secret.

(By United Press.)

Gary, Ind., Feb. 23.—That an ex-  
plosion in the local plant of the Il-  
linois Steel company, which result-  
ed fatally for one man, was kept a  
secret, was made known today. The  
explosion occurred Saturday or  
Sunday and on Sunday small frag-  
ments of the body were gathered to-  
gether, placed in a coffin and  
shipped to South Chicago. The vic-  
tim was a Pole and was killed while  
blasting with dynamite. Every ef-  
fort was made to keep it secret.

### PECULIAR FACTS ABOUT WELL KNOWN PEOPLE

Washington, Feb. 23.—Sen-  
ator Ashurst of Arizona used to  
be a newspaper reporter. Then  
he became a section-hand,  
stage driver, state legislator  
and now he is a United States  
senator.

## COMSTOCK TO SPEAK HERE

Republican Candidate For Congress  
Coming Friday Night.

Judge Daniel W. Comstock of  
Richmond, candidate for the Repub-  
lican congressional nomination in  
this district, will speak in the court  
house assembly room next Friday  
evening at seven-thirty o'clock. It  
will be Judge Comstock's speech in  
this city aside from the short re-  
marks he made at the sixth district  
barbecue here last fall. Judge  
Comstock's candidacy was endorsed  
by the Republicans of Wayne  
county at a Lincoln rally held by  
them last Saturday.

## FAMILY NARROWLY ESCAPES DEATH

Ralph Bowen of Near Orange  
Finds House Filled With Fumes  
From Coal Stove.

### HIS WIFE AFFECTED WORST

The family of Ralph Bowen of  
near Orange had a narrow escape  
last night from death by asphyxia-  
tion from gas fumes from a hard  
coal burner. Mr. Bowen was awak-  
ened and found the house full of  
fumes. He rushed for aid and after  
the hardest kind of work the rest  
of the family was revived.

Mrs. Bowen and two children, a  
day laborer, and Miss Helen Smith  
of Orange, a cousin of the Bowens,  
were all more or less effected by the  
fumes. The attending physician  
stated today that had Mr. Bowen  
remained in the fumes an hour longer  
she certainly would have died.

## RECENT ACCIDENT HASTENS HER DEATH

Mrs. Joseph Stiers, Age 77 Years,  
Expires at Her Home in North  
Main Street Today.

### MAIDEN NAME WAS HILDRETH

Mr. Sarah Stiers, 77 years old,  
wife of Joseph Stiers, died this  
morning at eleven-thirty o'clock at  
her home, 420 North Main street.  
Mrs. Stiers sustained a broken hip  
in a fall about two weeks ago and  
this hastened her death as she had  
been in declining health for some  
time.

Mrs. Stiers was a daughter of the  
late James and Rebecca Hildreth  
and was born in Rush county, Jan-  
uary 27, 1839. She was the young-  
est of a family of eleven children  
and is the last survivor. Mrs.  
Stiers was a well known and highly  
respected woman. She had lived in  
Rushville for the past eighteen  
years, and has been a member of the  
Presbyterian church for almost a  
half century. Besides her husband,  
she is survived by three children,  
James H. Stiers, John K. Stiers and  
Mrs. Ora Long. She is also sur-  
vived by four grandchildren and one  
great grandchild.

The funeral services will be con-  
ducted Friday afternoon at 1:30  
o'clock at the late residence by the  
Rev. D. Ira Lambert. Burial will  
take place in East Hill cemetery.

Mrs. Fred Johnson is suffering  
from a severe attack of la grippe.

## TIME TO PARLEY THING OF PAST

President Wilson is Prepared to Lay  
German - American Situation  
Before Congress.

### WILL NOT ALLOW MORE DELAY

If Germany Attempts to Cause Fur-  
ther Complications, Wilson Will  
Speak to Congress.

### NOT TO RELENT ON DEMANDS

Intends to Make Refusal to Tempor-  
ize so Emphatic, No Doubt as  
to Purpose Will be Left.

(By United Press.)

Washington, Feb. 23.—The rela-  
tions between the United States and  
Germany this afternoon depended  
enroute from the kaiser's govern-  
ment to Ambassador Bernstorff.

It became known this afternoon  
that President Wilson has determin-  
ed to permit no more parleying in  
the submarine controversy. If Ger-  
many, as administration officials  
now believe likely, endeavors to  
bring further complications the  
president is prepared to cut matters  
short by placing the whole matter in  
the hand of congress.

The appearance of President Wil-  
son before congress in the next few  
days to announce his desire to break  
off diplomatic relations with Ger-  
many was forecast this afternoon by  
high administration officials.

This action is certain to follow,  
one official said, if intimations com-  
ing from German sources are reli-  
able.

These intimations are that the  
German foreign office is sending in-  
struction to Ambassador Bernstorff  
to play for further delay in the de-  
termination of the Lusitania dispute  
and for a long discussion of techni-  
calities over the armed merchant-  
men decree scheduled to go into ef-  
fect March 1.

Bernstorff is expected to receive  
his instructions in the next forty-  
eight hours.

Today it was declared by reliable  
authority that the president intends  
to make his refusal to temporize so  
emphatic that there will be no doubt  
left of his purpose to require a  
closing of the Lusitania negotia-  
tions in keeping with the original  
demands of this government.

Since Germany is not expected to  
withdraw the armed merchantmen  
decree one thing only will be left for  
the president to do, it was pointed  
out, and that is to cut off diplomatic  
relations. This would mean that  
Bernstorff would get his passports.

### TODAY'S ODDEST STORY

St. Paul, Minn., Feb. 23.—  
Although only twelve miles  
apart, St. Paul and Minneh-  
apolis have separate weather  
bureaus. The original single  
station, which Uncle Sam could  
effectively handle weather con-  
ditions in both cities, was in  
St. Paul. People in Minneapolis  
constantly taunted the St.  
Paul station with sending wea-  
ther reports destructive to  
their bazaars, fetes and civic  
turnouts. Minneapolis people  
just wouldn't accept weather  
sent them from St. Paul, so  
Uncle Sam gave in and estab-  
lished another station in Min-  
neapolis.

## A Distinctive Reason

What is the chief reason for the superiority of Royal Baking Powder?

There are several good reasons, but there is one which distinguishes Royal from other baking powders.

This reason, which every woman should know, is that Royal Baking Powder is made from cream of tartar, which comes from grapes. This means a healthful fruit origin. It means natural food as distinguished from mineral substitutes used in other baking powders.

There is no alum nor phosphate in Royal Baking Powder.

## We Starch Your Garments

by the use of the most modern machinery. Our collar starcher carries your collars or cuffs between endless felt aprons, through a series of wooden rollers running in a bath of hot, liquid starch.

In preparing this starch, we use a very high grade of starch manufactured especially for the laundry trade and not sold at retail. It is prepared and cooked in an especially constructed kettle, according to an exact scientific formulae. This insures the absolute uniformity of the stiffness and pliability of your linen every week in the year.

It is by such points as this, which we treat here in an exact scientific manner, that the modern laundry insures the superiority of its work over that done at home, by the washerwoman or in the small "hand" plants.

Results Tell the Tale.

Can you doubt the evidence of this Rushville citizen? You can verify Rushville endorsement.

Read this: Harrison Levi, 931 North Sexton street, Rushville, says: "I used to have to get up six or seven times, each night on the account of the too frequent passages of the kidney secretions. Often they were scanty and accompanied by pain. I also had severe backaches. Nothing ever did me any good until I began taking Doan's Kidney Pills, procured from Johnson's Drug Store. It didn't take them long to fix me up. The pain left and my kidneys became regular in action." (Statement given July 27, 1912.)

Birth Registration

Has the birth of your baby been registered? If not, you should see to it that this duty is performed without delay. It may some time be of the greatest importance to your child that there be in existence an accurate legal record of his birth, date, place, and parentage. Such a record serves to establish his age beyond question, and through this his right to the legal period of schooling and freedom from labor. It may also serve to establish his right to a disputed inheritance and to establish for him various property or other legal rights which may be in dispute. There are numerous instances where the lack of this sort of record has been the cause of serious losses of inheritance and of educational and other rights.

In New York City in 1913 the birth record helped to enforce the personal or property rights of more than 138,000 persons.

It is, in most states, required by law that the doctor, midwife, or other attendant at birth shall report the birth to the registrar of births, but as this duty is not infrequently neglected, parents should investigate to see whether it has been done properly in the case of their children.

The complete registering of all births is indispensable, not only to the individual, but to the state and the nation.

The Federal Government can and does tell us exactly how great is the accession to our population each year by immigration, or intake from foreign lands. At each port of landing immigration inspectors record each arrival and tell us his or her nationality, age, sex, destination and how much money each one brings. But the Federal Government can not go into the States and cities and establish registration offices and tell us how many children enter each State by birth. This work must be done by each State separately. We have no national book-keeping to account for the ebbs and flows of human life as an asset and a liability of our civic organism. We have no national records to give our sanitarians and students a basis for their prevention studies. Congress by resolution has urged the States to enact and enforce suitable registration legislation. The State governments must now act.

Most of the States now have adequate laws; their enforcement, however, depends to a large extent upon popular support. This support is assured if individual parents will insist upon the registration of each birth.

HUNDRED LEADING HOOSIERS

JOHN TIPTON, 1786-1839.

Of all the Indiana pioneers, few have rendered a greater service than John Tipton. He won distinction as a soldier, Indian agent, statesman and man of affairs. Born in the mountainous regions of east Tennessee, he grew up in the very midst of Indian life and frontier conditions. Before he was seven years old, his father Joshua Tipton was murdered by a band of Indians and from that day, the son doubtless felt it his duty to avenge his father's death. This he did, unrelentingly. "Many an Indian bit the dust at the command of John Tipton's rifle, and many a pioneer's home was saved from savage incursions by a healthy dread of the name terrible weapon."

In 1807 he crossed the Ohio and settled in Harrison county where he enlisted and gained rapid advancement. President Monroe in 1821

We are authorized to announce the name of Charles C. Brown as a candidate for Sheriff on the Democratic ticket, subject to the decision of the primary election, March 7, 1916.

appointed General Tipton general agent for the Pottawatomies and Miami tribes; and in 1838 he performed his most notable service by successfully removing the disaffected Indians to their homes west of the Mississippi river.

WRITES OF GREAT LAKE IN ARIZONA

T. C. Hill, Formerly of Carthage, Describes Body of Water Rushville Man Helped Create

52 MILES LONG; A HALF WIDE

Mrs. Will Phelps of Carthage has received a letter from her brother, T. C. Hill, formerly of Carthage but for about forty years a miner in or near Prescott, Arizona, describing the great Watson-Henley-Thayer lake near Prescott and its value to that territory. He tells of the countless Russian families who have been attracted to the country near the lake from southern California, and have bought farms there.

The lake is fifty-two miles long, one-half mile wide and over one hundred feet deep in some places. It is only a short distance from some of Mr. Hill's mining interests. He says it was formed by damming a break in the walls of the delta through which Granite Creek found its way. The lake was stocked with 1,500 fish in November, 1915, and no one will be allowed to bother them for two years. The fish were furnished by Governor Ashurst and in two years will be plentiful.

"We hope for James E. Watson's political success," he writes in conclusion "and if he wins, he should come out west when it's time to fish and bring the poles, we will furnish the bait."

Republican Candidate For Clerk

Subject to Primary Election March 7th

GEO. B. MOORE, Jr.

Having been the Republican nominee for Clerk in 1912, which required considerable time and some expense, both cheerfully given; the privilege of again making the race, when, from a Republican viewpoint, the political outlook is very much brighter, would be appreciated very much.

Candidacy of Judge Daniel W. Comstock Endorsed by Republicans of Wayne Co.

The resolution, indorsing the candidacy of Judge Daniel W. Comstock for the Republican nomination as representative to congress from the Sixth Indiana district, passed at the Comstock rally at Richmond follows:

Be it resolved by the Republicans of Wayne county, Indiana, in convention assembled, that the Sixth Congressional District of Indiana should and must be redeemed from Democracy. To that end, we recognize that it is necessary that this county be carried by a re-united Republican party and thus give to said party its old time majority.

Be it further resolved that in the Hon. Daniel W. Comstock we recognize the man who can and will restore the harmony that is necessary to the success of the party. He is a man of high mental and moral attainments. He has served his country patriotically as a soldier in the Civil war; his state and county, as a legislator and a jurist of dignity and learning. There is no blot upon his character, private or public. There is no clique nor faction against him other than the Democratic party. His learning, legislative experience and legal attainments will at once give him recognition and high standing in the house of representatives. His record as a public official is such as to commend him to the peoples' cause in matters of national legislation.

Therefore, we, the Republicans of Wayne county, do hereby most heartily indorse the candidacy of the Hon. Daniel W. Comstock for representative in congress from this district and earnestly ask the other counties of the district to give us their aid in securing his nomination. We pledge them an old fashioned Republican majority in Wayne county if he is nominated.

### UP-TO-NOW IN DESIGN

Designs as shown by some firms are more or less freakish or fadish to attract the attention of the prospective customers with scarcely a thought of their wearing appearance or correctness in proportion. But then they are merely on paper and represent but a small loss if they don't take.

We have faith in our ability as practical designers and as proof we show at our works a most complete selection of ready to erect monuments designed by our nationally recognized designer, Mr. A. H. Schrichte. **J. B. SCHRICHTE SONS MONUMENTS** 117-121 S. MAIN ST.

## GOT HIS NAME FROM A RAGER

Ernest Price, Better Known as Jack Dillon, Borrows Name From Sidney Dillon

### IS STILL AFTER THE CHAMPION

Recent Publicity Did Him a Lot of Good—Once Acquired Enmity, of Corbett.

(By United Press.)

Indianapolis, Ind., Feb. 23.—Only the home town crowd knows how many thousands of dollars in publicity meant to Jack Dillon to be mentioned in the same breath with Jess Willard. Jack the bear and the mankiller, never had a publicity agent. He never has had a manager who knew the game. He's a self-made boxer.

The only kind of boxing allowed in this town is the hot stove kind, and when the fans gather round they tell stories of Ernest Cutler Price, who, as Dillon, has played Indianapolis on the sport map against her will. Dillon probably is the only topnotch athlete in any branch who deliberately chose the name of a horse for his own. When Ernest was a skinny kid he used to frequent the barn where Sidney Dillon, sire of a long string of good trotters, held forth. His friend-ship for the horse caused him to take that name.

Jack is a silent fighter too. He goes into the toughest contest and never says a word. He keeps his head down and works silently, depending on his ruggedness and fight-

ing spirit to win. When you find Jack on the street he's silent. When asked about a fight, with set jaw and a gleam to his eye he remarks:

"I'm going into that fight to knock him out." Jack always tries for a knockout. When the sport boys down east refused to "see" Jack, his friends tried to argue him into taking on a new manager, but Jack steadfastly refused to drop his old friend Sam Marburger.

Only the home guard understood what it meant to Dillon to knock out Tom Cowler, Jim Corbett's protegee. Local boys remember back in the spring of 1910 when Gentleman Jim, who was entertaining the idea that he could wrest the title from Jack Johnson, came here in his vaudeville circuit. While here Jim announced his "come back" and undertook to demonstrate his skill at the Marion Club.

Shortly before Corbett's arrival Price had borrowed his fighting name. He was little more than a welterweight and unknown outside the city. His friends got him in the chance for a try-out against the great Corbett.

Dillon showed enough to make Corbett take off his gloves and forget his comeback aspirations, but in doing so he seemingly acquired the former champ's enmity. Since that time Corbett has steadfastly refused to "see" Jack. Thus Dillon got more out of the fight that showed on the surface, for he floored the man Corbett was grooming for the heavyweight championship. Jack was 25 the day he met Cowler.

Dillon's record, though fraught with knockouts, is an eccentric document conforming to the moods of a temperamental fighter. The Hoosier had been changed in recent months and became more business-like, but in the earlier seasons of his fighting career it was well known in fighting circles that if Jack Dillon didn't feel like fighting he wouldn't fight. On the other hand he frequently went into the ring feeling rocky and vented his grouch on the luckless weight before him.

There's one incident in the Man Killer's career that never fails to cause him considerable ink. That is the bout with Chicago Knockout Brown in St. Louis when the fans tossed their chairs at the arc lights and Referee Eddie Randall jumped out of the ring, declaring the fight the veriest hippodrome. It was a tame bout but Dillon claimed his hands were sore and said anyhow he let Brown carry the fight to him whenever he fought the Greek, which in those days was often. The management took the money from Dillon and Marburger and tied up their \$750 purse, which still remains in the sheriff's custody in the Mound City.

This incident was soon forgotten, however, and the demand for Dillon's services throughout the country was steady and strong. He flitted from one town to another, never figuring in large purses and always fighting in large purses and always fighting

### GREENSBURG WINS ONE.

Greensburg, Ind., Feb. 23.—The Greensburg High School basketball team defeated the Clarkburg team here last night, 81 to 8. It was so much of a walkaway for the local team that there was not much interest for the fans. Greensburg fairly rained baskets.

Greencastle, Ind., Feb. 23.—William Rodgers, sent to the penal farm from Evansville on his plea of guilty to the charge of beating his wife, is industriously serving his ninety-day sentence.

## HIGH SCHOOL TEAM'S CHANCES LESSENED

Stoops, Star Forward, Quits Local Five, Meaning it Will be Crippled in Coming Tournament.

### DYE TO BE PUT AT FORWARD

Rushville's chances of winning the basketball tournament to be held here Saturday were very slim today following the announcement that Bryce Stoops, star forward, had quit the team. Petty jealousies and dissensions have tended to disrupt the team, it is stated, and with Stoops out of the game Coach Barnes faces a difficult problem of getting a team in shape for the tournament on short notice.

The local high school students are hoping for the best and if the team is defeated it will not be because any fight was lacking. Coach Barnes plans to use Dye at forward, and in this case a large portion of the basket shooting will fall on Martin, the lengthy center of the locals. The team has been practicing hard this week in preparation for the tournament games. Rushville has not lost a game this year on the home floor and the high school students hope the team can come through the tournament with this record clean.

## GIRLS WILL PLAY SERIES

Interclass Basketball Games Begin at Graham Annex Tonight

The winners and losers will play each other on Friday night and on Wednesday night of next week the winners and losers of Friday night's series will be open to the public and ten cents admission will be charged.

## IS NO DESIRE TO WITHHOLD POLICY

General Feeling in Germany Is That Americans Must Suffer Consequence of New Warfare.

### ARE NO LONGER PATIENT

BY CARL W. ACKERMAN.

(U. S. Staff Correspondent.)

Berlin, Feb. 23.—Nowhere is there in Berlin evident the slightest desire to withhold Germany's new submarine warfare because of protests from the United States.

General feeling is that the Americans must suffer the consequences if they embark on belligerent merchantmen carrying arms after March 1. The patient attitude toward America displayed during the Lusitania negotiations, it is plain today, no longer exists, because of the popular feeling that America already has hindered so many of Germany's plans.

### NOT ANXIOUS FACTIONS

(By United Press.)

Anderson, Ind., Feb. 23.—For the sixth time a continuance has been taken in the case of Willard Smithers, trustee of Green township, this county against W. W. Brown, former trustee, for collection of alleged money due the township. W. W. Brown is under sentence of the Grant county circuit court for alleged complicity in the murder of Constable Albert Hawkins, at Ingalls, Ind., two years ago. The last court of appeal in Indiana has refused to revoke the decision of the Grant county court declaring Brown guilty and a petition with 600 names asking Brown's parole is now in the hands of Governor Ralston.

## OLD-TIME COLD CURE—DRINK HOT TEA!

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold. Try it the next time you suffer from a cold or the grip. It is inexpensive, and entirely vegetable, therefore safe and harmless.

## RUB RHEUMATISM FROM STIFF, ACHING JOINTS

Relieve Soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil.

Stop "dosing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia. Limber up! Get a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for testimonials.

WHY WOMEN  
WRITE LETTERS

To Lydia E. Pinkham Medi-  
cine Co.

Women who are well often ask "Are the letters which the Lydia E. Pinkham Medicine Co. are continually publishing, genuine?" "Are they truthful?" "Why do women write such letters?"

In answer we say that never have we published a fictitious letter or name. Never, knowingly, have we published an untruthful letter, or one without the full and written consent of the woman who wrote it.

The reason that thousands of women from all parts of the country write such grateful letters to the Lydia E. Pinkham Medicine Co. is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives, once burdened with pain and suffering.

It has relieved women from some of the worst forms of female ills, from displacements, inflammation, ulceration, irregularities, nervousness, weakness, stomach troubles and from the blues.

It is impossible for any woman who is well and who has never suffered to realize how these poor, suffering women feel when restored to health; their keen desire to help other women who are suffering as they did.

At the meeting of the Modern Art Club, which will be held with Mrs. A. L. Aldridge tomorrow afternoon, "Gift Day" will be observed, when aside from the usual interest in the meeting, gifts, which will be furnished by each lady, will be exchanged among the members.

ZORNE-DAGLER

Miss Dorothy Zorne and Fred Dagler were quietly married today at the Christian church parsonage by the Rev. C. M. Yocum. After a short wedding trip to Richmond, the bride, who is a popular young lady of near Raleigh, and the bridegroom, a son of Mr. and Mrs. William Dagler, will make their home in Gings.

BIRTHDAY PARTY.

Twenty young friends of Elmer Darnell responded to the invitations for his birthday party given Monday evening at his home near Falmouth and helped celebrate his twentieth birthday. With a number of games, the evening was made a jolly one and delicious refreshments were served during the pleasant hours.

DINNER PARTY.

The hospitable home of Mrs. Sanford Poston, southeast of the city, was the scene for a delightful dinner party today when a company of friends were entertained. A pretty maidenhair fern brightened the center of the laden table, which had been prettily set for the pleasant company which included Mr. and Mrs. Bert Norris, the Rev. and Mrs. Moody Edwards, and Mr. and Mrs. Bert Davidson.

FOR FOURTH DEGREE STAFF

Jack Knecht was host last evening for the fourth degree members of the Knights of Columbus, when he entertained them with an elaborate Washington's birthday dinner. The soft glow of the red candles, displayed a huge bouquet of bright red carnations in the center of the table, also tiny American flags floating here and there upon the festive board. After the tempting three course-dinner the jolly company participated in a pleasant evening of progressive euchre, when Will McCoy and Martin Kelly proved to be the winners. Those enjoying Mr. Knecht's hospitality were Father M. W. Lyons, Anthony Schrichte, Homer Collier, Mark Purcell, John Madden, Will McCoy, Tom McCoy, Martin Kelly and Philip Miller.

WITH MR. AND MRS. REES.

The birthday of their son, Lester, furnished a reason for the pleasant little party given by Mr. and Mrs. Quincy Rees on Monday evening. For the merry crowd of young people that assembled an elaborate dinner was served, which was brought to a close by the huge birthday cake glowing with eighteen candles. The evening hours, enlivened by games and music, were equally pleasant.

DELIGHTFUL PARTY.

With the national colors, with cherries, hatchets and other reminders of the day, the home of Mr. and Mrs. Charles Elwell presented a festive appearance Monday evening, when honoring Mrs. Elwell's birthday, sixty guests were entertained. After an evening, made pleasant with progressive euchre and dancing, ice cream appropriately molded and equally delicious cakes were served.

SIX O'CLOCK DINNER

In the beautiful home of Mr. and Mrs. Frank Capp of North Main street, several friends were hospitably entertained with a sumptuous dinner last evening in honor of Miss Clara Haydon, of Lexington, Ky. Small flags surrounded the pretty fern in the center of the table and bright red cherries were favors at the places. The guests for this pleasant evening were Miss Haydon, Mr. and Mrs. Ben Humes, and Mr. and Mrs. Albert Capp and children.

A delightful little dinner party was the one given by Mr. and Mrs. A. P. Reynolds at their pretty home in Glenwood on Monday evening. The good taste of the hostess was apparent in the decorations, which consisted of dainty pink carnations arranged with greenery, and in the prettily appointed dinner. The hours following the dinner were enlivened by several rounds of Rook and other informal games, during which time delicious home-made candy was served by the hostess. In this merry company were Prof. and Mrs. Fisher and sons, Gilbert and Park, and the Misses Edyth Swallow, Jessie Jeffrey and Elizabeth Winslow.

HONORING MISS HAYDON

In honor of Miss Clara Haydon, of Lexington, Ky., for whom a series of parties have been given, Mrs. Guy Mulbarger furnished a delightful little afternoon of Bridge yesterday for an interesting group of her friends, who surrounded two tables as they enjoyed a merry chat over the card games. While at the card tables, the hostess served a delicious luncheon, in a dainty style exhibition her own personal touch. Aside from the guest of honor, the players were Mrs. Charles A. Frazee, Mrs. Hillary Haydon, Mrs. Clarence Cross, Mrs. John H. Kiplinger, Mrs. Claude Cambern and Mrs. Ben Humes.

INDIA DISCUSSED

"India" was the all inclusive subject which was discussed at the meeting of Young Ladies Missionary Society of the United Presbyterian church when it met with Mrs. Robert Conover this afternoon. A good attendance was present to appreciate the program which consisted of the following numbers:

Leader—Mrs. Pike.

Mass Movement of India—Mrs. Lancaster.

National Missionary Society—Mrs. King.

Achievement of the Gospel in Women's Education and in Medical Mission—Miss Florence Elliott.

Mission Study—Miss Florence Elliott.

ODD FELLOWS SUPPER

Washington's birthday furnished the clever decorations for the supper given last evening by the members of Bernice Encampment No. 12 I. O. O. F. for their families and friends, who numbered in all about two hundred and fifty. Favors in keeping with the holiday were distributed during the serving of the elaborate supper. Music was furnished during evening by Odd Fellows orchestra, augmented by several members from Lucas organiza-

tion. The third degree staff and encampment staff executed several fancy drills in their display uniform. Among the out-of-town guests were Mr. and Mrs. H. K. Landes, Mr. Landes, being Commanding General of the Patriarch Militant branch of the order, and John Feckenhoeh, of Indianapolis.

WASHINGTON PROGRAM.

An excellent program appropriate for the day entertained the members of the Sorosis Club of Glenwood, when they were entertained by Mrs. Joseph Walther and Mrs. Charles Newhouse at the home of the former. With miniature hatchets, cherries and flags, the rooms were made to give a very patriotic atmosphere. Responses to the roll call, when all members except two answered, were given by naming a prominent statesman. An excellent paper on "National Songs" was read by Mrs. Murphy. Another patriotic subject was equally well treated by Mrs. Elliot whose paper was on "Colonial Customs." The book, "Still Jim," was interestingly reviewed by Mrs. Saxon. During the social hour which followed the program, a palatable luncheon was served by the hostesses.

B. Y. C. D. CLASS

The young ladies and men in the B. Y. C. D. class of the First Baptist church have proven that a Sunday School class exists not only on Sunday but is a social unit throughout the week. Another of their delightful social gatherings, was the entertainment with Miss Ethel Powers last evening at the home of Mr. and Mrs. Jess Black. With festoons of red, white and blue crepe paper, the rooms were fittingly draped for the holiday. Small hatchets dangled from the mantle and bouquets of brilliant red carnations helped lend the holiday appearance. During the business meeting, when twenty answered the roll call and Miss Grace Smith as president, presided the class was divided in two sections, with Malcolm Newkirk and Ethel Powers as captains, plans were made for an attendance contest, which will end Easter Sunday, when the winning side are guests at a three course dinner, during which time refreshments, with appointments, apropos of the day were served.

KNIGHTS ENTERTAIN.

No more beautiful and commodious place could be imagined for entertaining than is the Masonic Temple, with its spacious parlors, immense dining room and beautiful blue room, all of which conveniently accommodated the one-hundred-sixty guests that were entertained last evening by the Knights Templar. A turkey dinner served in the dining room where the round tables were decorated, with red candles and cherries, and a program bearing a picture of the day's hero at each place, was the first feature of the evening. After a pleasant social hour when the guests were allowed to wander through the spacious halls, a musical entertainment was given in the blue room by the University Girls, a Lyceum attraction. With the "pep" and enthusiasm that the name suggests, their varied program was carried through with a refreshing vim.

The personnel of the company included the Misses Edwina Parsons, violinist, Marie Washburn, cornetist, Florence Jack who also played flute, Winsgene Whitsitt, vocalist, Mildred McCasky, reader, and Alice Lybarger, cellist. Several special num-

Vote for "33" Ezekiel M. Jones (better known as "Zeke") a Republican Candidate for Sheriff, from Ripley Township, Rush County, at Primary March 7, 1916.

I have found it absolutely impossible to see all of the voters before the Primary to solicit their support for my candidacy for Republican nomination for Sheriff of Rush County, but I desire to say that I have always been a loyal, staunch and true blue Republican. I live in Ripley Township now and cast my first vote in Rush County for James G. Blaine. I nor any of my immediate family have never held nor asked for any public office nor have I been the nominee for any except that I was a candidate in 1912 for Sheriff of Rush County and withdrew on the fourth ballot in the county delegate convention, and went out and worked my best for the ticket, as I always have done.

FOR REFERENCE to my Republicanism or qualifications for this office I refer you to any business man or bank in Rush county.

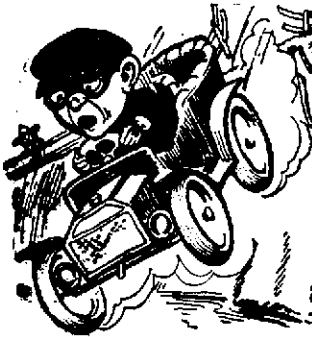

I CAN BE ELECTED IF NOMINATED.

My number on ballott will be 33 on all ballots

I thank you in advance for your support, Yours Very Truly,

## GLASS OF SALTS CLEANS KIDNEYS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

The presentation inscription reads "From the President of the United States." If an officer of a ship figures in the rescue he gets a handsome gold watch and chain or a pair of the finest binoculars manufactured.

## SAYS OLD VESSEL WILL BE RETAINED

Commandant Rush Declares "Constitution" Will be Left Alone by U. S. Government.

## MANY PERSONS VISIT HER

(By United Press.)

Boston, Feb. 23.—Commandant Rush of the Charleston Navy Yard, has put at rest all worry over the fate of the "Constitution," the gallant old frigate which lies at anchor there. In an interview with the United Press, Captain Rush said he was greatly surprised to have been quoted as saying "Old Ironsides" must be moved to make room for other and more modern vessels. "In my opinion," said the Commandant, "the Constitution comes first. All other ships here must take second place. I regard her a symbolic of the Constitution of the United States and I would as soon destroy one as the other. So long as she lasts, which, with adequate repairs should be forever, Old Ironsides shall have her place in the Yard. I understand I have been quoted as saying we needed the space now occupied in the Yard by the frigate, but this is absolutely untrue. The Constitution rides at anchor at the safest spot in Charlestown Yard, protected against fire in every way. She is within a few hundred feet of the place where she was launched over 100 years ago, each year over 80,000 visitors go aboard and roam up and down the aged hulk, a reminder of the days when the United States swept all before her on the seas.

## MANY TROUBLES DUE TO WEAK KIDNEYS

"It is no use advertising a medicine unless the medicine itself is good enough to back up the claim you make for it," said Johnson's Drug Store, the popular druggists, to a Daily Republican man. "On the other hand it is a pleasure to sell a medicine when our customers come in afterward and tell you how much good it has done them. And that is why we like to sell and recommend Solvax, the great kidney remedy. We have so much faith in this article that we are going to guarantee it in the future and will return the money to any purchaser of Solvax whom it does not help." This shows great faith in Solvax. It really is a most unusual medicine because it overcomes the worst cases of kidney complaint by removing the cause. It goes straight to the seat of the trouble. It soaks right in and cleans out the kidneys and makes them pass off all the uric acid and poisonous waste matter that lodges in the joints and muscles, causing rheumatic pains; soothes and heals the bladder and quickly end all such troubles. ## Gums shrinking? Danger ahead!

Go now to a mirror and examine your mouth? Do your gums look "rinsed out," shrunken? Do you see a jagged appearance in the gum-line?

If so, see your dentist. He will tell you that you have pyorrhea, and that to save your teeth you will have to fight this dread disease at once.

From pyorrhea come by far the greater part of all tooth troubles. Unless treated and checked, it will result not only in the shrinking and malformation of your gums and of the bony structure into which your teeth are set, but in the loss of the teeth themselves.

A specific for pyorrhea has been discovered recently by dental science, and is now offered for daily treatment in Senreco Tooth Paste. Senreco combats the germ of the disease. Its regular use insures your teeth against the attack or further progress of pyorrhea.

But Senreco does more. It cleanses the teeth delightfully. It gives them a whiteness distinctive of Senreco alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.

Start the Senreco treatment before pyorrhea grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get Senreco of your druggist today; or send 4c in stamps or coin for sample tube and folder. Address The Santanel Remedies Company 593 Union Central Building, Cincinnati, Ohio.

## ENGLAND BROKE PLEDGE, CHARGE

Promised Not to Permit Merchant-  
men to Take Offensive Against  
German Submarines.

### SECRET ORDERS ARE ALLEGED

Democrats Hope to Block Resolution  
Warning Americans to Stay  
Off Armed Vessels.

(By United Press.)

Washington, Feb. 23.—Whether England had broken faith with the United States in questions of armed merchantmen was a new question raised today in the submarine controversy with Germany.

Examination of state department archives disclosed a British pledge directly bearing on the Tuetonic-American controversy. Officials believe if this pledge has been broken protest to England is probable.

The British promise was that England would not permit merchantmen to take the offensive against submarines. Against this Germany is mailing copies of alleged secret orders of the British admiralty to sink submarines of the central powers and whenever possible and under any conditions.

As part of the program to prevent discussion of foreign relations on the senate floor, Democratic leaders today arranged for a continued session until the end of the week. Instead of adjourning the senate will take a recess each evening until the following day.

This will prevent the reporting or introducing the resolutions. It is expected an attempt will be made to get one before the senate warning Americans to keep off armed merchantmen. The president desires to avoid senate discussion.

An end of informal negotiations between Secretary Lansing and Ambassador Bernstorff and the dispatch of a final, formal note to Germany emphasizing the need of assurances concerning submarine warfare has been practically decided on by the administration.

One thing only, it is said, can in-

tervene and that is the arrival from Berlin of definite assurance that the decree making the submarine warfare effective March 1 will be held up. The decree must be made to square with the promises made by Germany in the Lusitania case exchanges.

It is said the administration has come to the conclusion that the confidential discussions between the secretary of state and the ambassador have outrun their usefulness in view of the present apparent impasses and the personal bad feeling that has grown up between the two diplomats.

### K. OF C. DANCE

Gayety prevailed last evening, when honoring the birthday of the father of our country, the Knights of Columbus, and their friends from near and far danced in the Phi Delta Theta Hall. With seventy-five couples enjoying the terpsichore

to the strains of "Sherman's Society Orchestra" which ably played the very latest song hits, a merry and pretty scene resulted. Several features were furnished, as promised, the best of which were the cabaret solos by Dr. Hale Pearsey. Perhaps the favorite of these for which the singer was encored again and again was "She is the Daughter of Mother Machree." The majority of the out-of-town dancers were from Connersville among whom were the Misses Elsie Barnard, Kathleen Luking, Dorothy Voltz, Louise Schroder, Anna Parke, the Misses O'Brien and Will Michaels, Willard Bearly, Harry Williams, Warren Wane, Darnell Wendling was here from Indianapolis and Ernest Elder from Greensburg.

## LOUISE KENNER WINS JUDGMENT

Continued from Page 1.

two days with you and I am getting tired," said Mr. Young.

At this point Judge Sparks interferred and soon restored order. "This case ought not be tried according to the justice of peace court principles, but the circuit court," said the court.

Wilson on cross-examination had a hard time explaining why contestants were dropped and still given credit for votes filed, even on the final night of the contest. He stated that the names of the candidates in all three districts were published in the American up until the close of the campaign for the sake of appearances and not because they had a chance to win. He declared that the campaign was a failure financially.

According to his testimony the issue of the American on April 2, which was the day before the contest closed, carried the names of all the contestants, but he denied try-

ing to deceive anyone. Wilson stated that he knew candidates were holding back votes for the last night of the contest, but at the same time, testified that the three districts were combined that the only candidates under consideration were Mrs. Nicholas and Rev. Mr. Phillippi.

He testified that on April 2, Mrs. Nicholas had a total of 15,300 votes credited to her in the list published in the paper. On the final day this number jumped to the grand total of 2,890,000 votes. In the final count, Wilson stated Miss Kenner was second to Mrs. Nicholas, but before this had testified that Miss Kenner was not an active candidate.

Wilson declared that Miss Kenner told him that she was going to quit trying in the campaign, and later had a telephone conversation with her on the same subject. He stated that on the day the votes were counted a check for \$75 from Will Nicholas was found in the ballot box along with the check were the names of the people represented as subscribing for the paper in payment for the \$75. He said these votes were credited to Mrs. Nicholas and she was declared the winner.

Wilson did not remember any of the names turned in by Nicholas or to what state the papers were to be sent. Nicholas had previously testified that the persons represented were residents of Kentucky. The plaintiff dealt heavily on the testimony regarding the combining of the districts and with the candidates supposed to be inactive, but whose names appeared in the paper just the same.
